Dear Paul,

In reference to your 12-15-89 letter concerning Darrell G. Potter: at this time there seems to be no legal action pending or expected. The 10 year old states to his [REDACTED] and aunt that he lied about the touching. The other information was witnessed by the [REDACTED] so we have no intention of lifting the ban on Mr. Potter's registration unless he goes through proper channels. He is Caucasian and because there is no pending legal action there is little else I can send you at this time.

SUBJECT: DARRELL G. POTTER

Dear Dean:

We appreciate the material you recently sent concerning the above named individual. We do have a few questions, however, to which we would like answers.

Is there to be any legal action instituted related to this incident? We would like that information, if it does occur and, also, the outcome of any action which is taken by the authorities.

We, also, would like to have more information concerning Mr. Potter related to his race and any characteristics which would help us to identify him, should he attempt registration in the future.

Please let us know, if we may help you in anyway as you complete this file.

Sincerely,
